

Ms. Johnson, on behalf of ComEd I want to thank Professors Gross and Sauer, you and the rest of the team at the University of Illinois, and all of the other facilitators and advisors for your hard work during the course of the ICC's NextGrid initiative. The draft final report reflects the strong commitment to the process shown by stakeholders in Illinois and beyond. ComEd, stakeholders, and the public have had opportunities to provide comments throughout NextGrid, and therefore ComEd will not be submitting additional comments on this draft final report. Again, thank you for your efforts. Regards, Chris Foley
